Mailing lists of Beta Sigma Phi chapter and city council presidents may be obtained through International to be used only for convention or area meeting notifications. They **may not** be obtained for any other reason. When the use of the mailing list for your meeting is ended, the list must be destroyed.
Please sign in the space provided below and return this form to International.

Please Note! This is not a list request. In order to receive mailing lists and labels, please request them separately. If you have any questions about mailing lists, please get in touch with International.
