

Opening Ritual

“Sisters in Beta Sigma Phi, we pledge ourselves anew to the aims and purposes of our glorious sisterhood; more tolerance for our fellow beings through a better understanding of them; a clearer and deeper appreciation of the cultural and finer things of life for ourselves; and a determination to give the best that is in us to our sorority and to assist in any and every way to shed the light of our torch throughout the world.”

Closing Ritual

“Eternal Father, Shepherd of the Stars, guide us that we may follow only the Good, only the True, only the Beautiful. Hold aloft to us the guiding torch of wisdom and help us to push on, undaunted, toward its light. Illume our souls with Thy wisdom that we in turn may light the way for those who follow us. If the road we take seems obscured in dust, give us skill and grace to pave it with stars, to transmute the dust into stardust. Grant us such clearness of vision, such sweetness of spirit, such earnestness of purpose that we may follow the torch to our goal.”
